Roofing Materials

Source Kitchen & Bath proudly represents the industry's finest kitchen and bath cabinet and countertop manufacturers available today. Our products have been hand-selected and are perfectly positioned for our coastal design cues and harsh environment.

Local owned and operated, our award-winning design team serves residential and commercial clients throughout the Carolinas and the Caribbean islands with a unique, enjoyable, one-to-one design and installation experience.

At Source we understand that the first step in creating the perfect space starts with listening.

- Complete design and installation services.
- Offering both custom & semi custom cabinets.
- Hundreds of countertop materials to choose from.
- One stop design process with choice of appliances, sinks, plumbing fixtures and more.

SOURCE GETS IT.™

“ Our Mt. Pleasant showroom is a dream come true. It was designed to showcase hand-picked, premium building materials specifically chosen for our local coastal regions and throughout the Caribbean islands. Our clients are looking for unique products and equally unique ideas. The fact that we can provide a relaxed, exclusive design experience in a cozy atmosphere with some of the most knowledgeable designers in the region has been fun to deliver and see grow. ”
